

## 2015 WORLD CUP MEMO

WEDNESDAY 5TH FEBRUARY 2014

MEMO REFERENCE NUMBER 02052014

SUBJECT: VARIOUS INFORMATION.

### BOARD MEMBERS MESSAGE:

The Board members are delighted with the early expressions of interest that has been collected by Touch Football Australia (TFA). The facts supplied by TFA has been very informative and has contributed to the expressions of interest received. The Board members are looking forward to working closely with TFA to present an excellent experience for all participants at what we expect to be the "Best Ever".

### VENUE AND AREA MAP

It has been brought to the attention of the Board members that at the previous two World Cups a number of national teams could walk to the venue from their accommodation. With the forthcoming 2015 World Cup being staged in Coffs Harbour this convenience is not available to participating nations. Please refer to the map of Coffs (link below) to give an idea of where everything is placed.

The Stadium is approx 5 to 7 Kms from the centre of Coffs Harbour CBD you can get to it by following Hogbin Drive to Stadium Drive.

### PUBLIC TRANSPORT

For nations who are not planning on having ground transport at their convenience they would need to rely on public transport. Bus services run passed the stadium and when I am back in Coffs harbour I will investigate the seats available on Public Transport as well as the costs involved in mini coach hire.

### COACHING AND REFEREEING ASSISTANCE:

Please be reminded that for any Coaching and refereeing assistance please, in the first instance, contact Mr Peter McNeven (Coaching) [petermcfi@hotmail.com](mailto:petermcfi@hotmail.com) and Mr Ian Mathew (Refereeing). [breezmat@bigpond.com](mailto:breezmat@bigpond.com) both these Commission chairpersons are very interested in assisting in their respective portfolios.
