Favourite/best Touch moments:

Club: Reaching the 2013 CTS final and finishing joint top in the competition. As the 'older' member of the team it was great to contribute to the development of the young squad members, especially my 14 year old son.

Country: Winning Gold at the 2004 Euro as part of the Men 35's, Winning Gold at the 2013 HN with Men 40's

Profile:

Started playing Touch after finishing my rugby career in around 1997. Selected for the Men 30's to represent England in the 1999 TWC in Australia. Played for England in Men's 30's ,35's, 40's and SMX.

Been involved in the game at representative level for 16 years, it's been fantastic to see the game develop at both NTS, Nationals and National level.

International record

66 Caps with 34 Touchdowns spanning 8 international tournaments.
