## *Favourite/best Touch moments:*

**Club:** In 2014 Percy Park Pirates won the CTS tournament in Manchester for the very first time. This was a great achievement for the club and was great to be part of the team. There is a great bunch of people at the Pirates and makes the CTS's great fun to be involved in.

**Country:** My first tournament was the Home Nations 2013, it was a great honour to be selected for the squad. Scoring in my first game against Scotland, and winning the Simon Yarrow trophy. We came away with Gold, which was the result of a lot of hard work from everyone involved. This was followed up with Silver in the Euro's 2014.

## *Profile:*

I started playing Touch as a way of getting fit in 2012, I had played Rugby League for over 20 years and wanted to get back into the rugby environment, without the need to take Mondays off work for recovery!! Touch was perfect and I would recommend it to anyone.

## *International record*

14 England Caps with with 11 touchdowns.
