Favourite/best Touch moments:

Club Level:

- I played for Colonials vs England Men's Open at the Harlequins rugby grounds (The Stoop).
- Awarded the MVP for the season in Acton, London 2006
- Playing in an exhibition match at half time of Sale Sharks vs Samoa and scoring the winning try in front of a packed out crowd.

Country:

- Very proud moment for me was receiving the phone call that I had been selected to play for England and when I wore the England Jersey for the first time, my dad would have been proud it was quite overwhelming.
- Playing in my first Home Nations, and more importantly, winning gold at the Home Nations
- Playing at the European Champs Runners Up

Profile:

I started playing Touch in New Zealand in my early 20's.

I played Mens and Mixed Open in both Taranaki and Waikato regions. I was surrounded by some pretty amazing and skillful players. It was my coach Gavin Matoe who transformed my game and playing style with his knowledge and understanding, I really appreciate his inspiration he gave me.

It has always been a dream of mine to represent a country in sport, and at the ripe young age of 40 my dream became a reality. 2013 will forever be etched in my mind. I've always had a positive attitude with sport and that's, "BELIEVE AND YOU WILL ACHIEVE".

Aside from sport, I run a motivational Fire walking business to help people overcome obstacles/boundaries and fears called Ignite firewalking
