- 2.2.2. If a player wishes to take part who is under 18, parents/carers and coaches must assess whether the player is capable of playing in a tournament. When assessing whether a junior player is capable of playing Touch within any National Series competition, those responsible for making the decision must take into account the following:
 - 1. The welfare and safety of the player and those with whom the player will be playing.
 - 2. A need for clear communication with all those involved in and affected by the decision.
 - 3. The following aspects when making the decision:
 - a. The physical development and any injuries/illnesses of the individual and the player's playing colleagues
 - b. The skill level and experience of the individual
 - c. The individual's playing position in the team
 - d. The competitive standard of the particular match, tournament and playing conditions.
- 2.2.3. Parents/carers & team managers must sign a junior player consent form for every tournament that player enters. The form can be found [here](#).

2.3. Transgender & Non-Binary Players

Players who identify as Transgender and/or Non-Binary should refer to the England Touch Transgender, Non-Binary and Gender Diverse Policy.

As a sport for all, England Touch celebrates and values the inclusion of transgender, non-binary and gender diverse people in Touch and strives towards providing a safe and welcoming environment for any person to be their authentic self.

All persons are welcome to take part in England Touch events. Please contact the England Touch EDI Officer if you have any further queries edi@englandtouch.org.uk.

2.4. Elite Players & Elite Player Cap

The elite player cap limits the amount of elite players selected for a team playing within Divisions 3 and 4 of the Mixed, and Mens and Womens Series. The cap is intended to avoid clubs loading their Division 3 and 4 teams with players who should be playing in Division 1 and 2.

The goals of Divisions 3 and 4, both mixed and single gender, are twofold:

- To give new and developing clubs/players game time which will allow them to improve
 - To give clubs/players the chance to develop the skills and experience necessary to potentially compete in the elite level tournaments.
- 2.4.1 The elite player cap for 2024 is as follows: each player should only play for one team per weekend, playing on either the Saturday or the Sunday of each tournament weekend.
 - 2.4.2. Teams can apply for an exemption to the elite player cap - they should do so in an email at least 14 days before the tournament, before they submit their team sheets. Exemptions are processed via a form. They will be considered by the Events Manager and decisions will be made on a case by case basis.

3. Code of Behaviour

An overview of the Code of Behaviour can be found on the website. In becoming a member of England Touch, members agree to abide by the Code of Behaviour.

3.1

In registering for the event, the Club confirms that all the members named on the player registration form and others associated with their club:

- To abide by England Touch's Code of Behaviour
- To abide by the Tournament Rules as detailed on the England Touch website
- To acknowledge responsibility for insurance.

3.2. Complaints Procedure

England Touch has a complaints procedure which can be read on the England Touch website.

Complaints can be raised either online here or via the incident report forms which are available from the events tent at any England Touch tournament. Complaints can be made anonymously if desired.

4. Referee Provisions & Nominations

As part of developing the game, England Touch are looking to support clubs in identifying their own officials for tournaments. Improving both the amount of available referees at all levels, and their development, is key to the continued growth of the game, and standards at every level.

4.1. Definitions

- 4.1.1. Full-Time Referee: Someone who attends an event solely to referee, is not part of a team or named on a team sheet to play. Ideally, someone who is Level 1 qualified.

- 4.1.2. Player Referee: Someone who attends a tournament as a player but will referee games when they are not playing to facilitate the tournament. Ideally, someone who has attended a Level 1 Referee Course as a minimum.

4.2. Provision of Referees

- 4.2.1. Clubs must nominate and provide a Full Time Referee per team entered into an event day. (I.e. if a club has entered two (2) teams, they must provide two (2) Full-Time Referees)
- 4.2.2. Nomination of Full-Time Referees is a requirement in all Divisions (1 - 4)
- 4.2.3. Clubs may wish to and are encouraged to nominate more referees than the minimum requirement mentioned above. This will significantly reduce their chances of player refereeing
- 4.2.4. The Referee(s) nominated to attend Division 1 & 2 events must be at least Level 1 qualified
- 4.2.5. The Referee(s) nominated to attend Division 3 & 4 events should have at least attended a Level 1 Referee course
- 4.2.6. It is the responsibility of Clubs to manage their referee nominations, England Touch will not commit to chase or remind clubs to nominate referees
- 4.2.7. The nominated referee should sign up to the event through England Touch's referee management group on 'Spond'. Joining instructions can be found here.
- 4.2.8. Nominated referees must sign up no later than 1 week before the event takes place
- 4.2.9. Within their Spond profile, referees will be able to list the clubs for which they are the nominated referee
- 4.2.10. A referee may not be affiliated to more than two (2) clubs throughout the season. (I.e. if they have been nominated by two (2) clubs at two (2) previous events, they cannot be nominated by a third club.)
- 4.2.11. If a club has a team entered into Divisions 1 or 2, and another team entered in Divisions 3 or 4 on any given weekend, as the event days happen concurrently, the same nominated referee may represent both teams.
- 4.2.12. Clubs can nominate different referees for each tournament day. (I.e. a team does not have to have the same referee associated with them throughout a series)
- 4.2.13. In the case where the provision of full-time referees at a tournament day is not sufficient to facilitate the tournament, player referees shall be used. Clubs and teams will normally be made aware of this before the event day, but in some instances, it may be necessary to change on the day.
- 4.2.14. Typically, player referee slots will be allocated to teams in triples. (I.e. a team will be required to provide 3 player referees at once to cover a single game)
- 4.2.15. Player referee slots will be allocated as follows:
 - 4.2.15.1. To teams who have not met the Full-Time Referee nomination requirement

- 4.2.15.2. To teams who have met the Full-Time Referee nomination requirement. (Within this group of teams, slots will be allocated randomly. Where possible, the events team will keep track of this so that teams do not player referee more slots than others over the season)
- 4.2.15.3. To teams who have nominated more Full-Time Referees than the minimum requirement.
- 4.2.16. Provisional referee allocations will be completed the day before the event and will be viewable on the event schedule.
- 4.2.17. In the case that a nominated referee has to pull out of attending an event more than 48 hours before the start of said event, clubs are required to find a replacement full-time referee. (Unless they have nominated beyond the minimum requirement.)
- 4.2.18. In the case that a nominated referee has to pull out of attending an event within 48 hours of the start of said event, the team they are associated with will be required to provide player referee(s). Unless they can find a replacement or they have been nominated beyond the minimum requirement.

4.3. Penalties

- 4.3.1. In the case that a team does not nominate Full-Time Referee(s) as per the minimum requirements, the following penalty will apply:
 - 4.3.1.1. For the Mixed Series (all Divisions) and Divisions 3 & 4 Mens and Womens Series, the team will be deducted 10 competition points
 - 4.3.1.2. For the Divisions 1 & 2 Mens and Womens Series Day 1, the team will be deducted 3 group points
 - 4.3.1.3. For the Divisions 1 & 2 Mens and Womens Series Day 2, the team will forfeit their quarter-final game regardless of the actual score.
- 4.3.2. In the case that a club has entered multiple teams into an event day, the penalty will be applied to their 'first' team
- 4.3.3. In exceptional circumstances, England Touch may be able to provide exemptions or alternative arrangements to the requirements but this will be looked at on an individual basis.

Queries or application for exemptions should be sent to the Referee Manager on referee.manager@englandtouch.org.uk
